3. a. No interest in the oil, gas, or other minerals in, on or under the Property will be conveyed by Seller; all interest in the same being expressly reserved by Seller.

b. The utility easements shown on the recorded plats are dedicated with reservation that such utility easements are for the use and benefit of any public utility operating in Hays County, Texas, as well as for the benefit of the Developer and the property owners in the Subdivision to allow for the construction, repair, maintenance and operation of a system or systems of electric light and power, telephone lines, gas, water, sanitary sewers, storm sewers and any other utility or service which the Developer may find necessary or proper. Utility easements are reserved for a width of five feet on all property lines bordering a street; and five feet on all interior lot lines except where two or more lots are combined and to be used as only one building site; except, however, that no easement is granted on or along the interior lot line of Golf Course Cottage lots or Greenbelt lots.

The Developer reserves the right at any time, and from time to time hereafter, to promulgate and impose restrictions (as well as vary and amend any such restrictions) as to all or any portion of the unplatted, reserve, or unrestricted areas of the Subdivision on the aforesaid plats. Any such action by the Developer shall not, in order to be fully binding, require the joinder or any other person, whether such person be an owner of property in the Subdivision, a lienholder, a mortgagor, a Deed of Trust beneficiary or any other person.

DURATION

4. The provisions hereof, including the Reservations, Restrictions and Covenants herein set forth, shall run with the land and shall be binding upon the Developer, its successors and assigns, and all persons or parties claiming under it or them for a period of thirty-five (35) years from the date hereof, at which time all of such provisions shall be automatically extended for successive periods of ten (10) years each, unless prior to the expiration of any such period of thirty-five (35) years or ten (10) years, the then owners of a majority of lots in the Subdivision shall have executed and recorded an instrument changing the provisions hereof, in whole or in part, the provisions of said instrument to become operative at the expiration of the particular period in which such instrument is executed and recorded, whether such particular period be the aforesaid thirty-five (35) year period or any successive ten (10) year period thereafter.

ENFORCEMENT

5. In the event of any violation or attempted violation of any of the provisions hereof, including any of the Reservations, Restrictions or Covenants herein contained, enforcement shall be authorized by any proceedings at law or in equity against any person or persons violating or attempting to violate any of such provisions, including proceedings to restrain or prevent such violation or attempted violation by injunction, whether prohibitive in nature or mandatory in commanding compliance with such provisions; and it

shall not be a prerequisite to the granting of any such injunction to show inadequacy of legal remedy or irreparable harm. Likewise, any person entitled to enforce the provisions hereof may recover such damages as such person has sustained by reason of the violation of such provisions. It shall be lawful for the Developer or for any person or persons owning property in the Subdivision (or in any other Section of Woodcreek) to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate such provisions.

PARTIAL INVALIDITY

6. In the event that any portion of the provisions hereof shall become or be held invalid, whether by reason or abandonment, waiver, estoppel, judicial decision or otherwise, such partial invalidity shall not affect, alter or impair any other provision hereof which was not thereby held invalid; and such other provisions, including Restrictions, Reservations and Covenants shall remain in full force and effect, binding in accordance with their terms.

EFFECT OF VIOLATIONS ON MORTGAGES

7. No violation of the provisions herein contained, or any portion thereof, shall affect the lien of any Mortgage or Deed of Trust presently or hereafter placed of record or otherwise affect the rights of the Mortgagee under any such Mortgage, holder of any such lien or beneficiary of any such Deed of Trust; and any such Mortgage, lien or Deed of Trust may, nevertheless, be enforced in accordance with its terms, subject, nevertheless, to the provisions herein contained including said Reservations, Restrictions and Covenants.

II.

ARCHITECTURAL CONTROL

BASIC RULE

1. No building or other improvement of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made in the design thereof or any addition made thereto or exterior alteration made therein after original construction, on any property in the Subdivision until the obtaining of the necessary approval (as hereinafter provided) of the construction plans and specifications and a plot showing the location of such building or other improvements. Approval shall be granted or withheld based on matters of compliance with the provisions of this instrument, quality of materials, harmony of external design with existing and proposed structures

and location, with respect to topography and finished grade elevation.

ARCHITECTURAL CONTROL AUTHORITY

2. a. The authority to grant or withhold architectural control approval as referred to above is vested in the Developer; except, however, that such authority of the Developer shall cease and terminate upon the election of the Woodcreek Architectural Control Committee, in which event such authority shall be vested in and exercised by the Woodcreek Architectural Control Committee (as provided in b. below); hereinafter referred to, except as to plans and specifications and plats theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plats.

b. At such time as 75% of the lots in the Subdivision and in all other Sections of Woodcreek (as platted, from time to time, hereafter) shall have been sold by the Developer, then the Developer shall cause a statement of such circumstances to be placed of record in the Deed Records of Hays County, Texas. Thereupon, the lot owners in Woodcreek may vote, as hereinafter provided, to elect a committee of five (5) members to be known as the Woodcreek Architectural Control Committee (herein referred to as the "Committee"). Each member of the Committee must be an owner of property in some section of Woodcreek. Each lot owner shall be entitled to one (1) vote for each whole lot or building site owned by that owner. In the case of any building site composed of more than one (1) whole lot, such building site owner shall be entitled to one (1) vote for each whole lot contained within such building site.

The Developer shall be obligated to arrange for the holding of such election within sixty (60) days following the filing of the aforesaid Statement by the Developer in the Deed Records of Hays County, Texas, and give notice of the time and place of such election (which shall be in Hays County, Texas) not less than five (5) days prior to the holding thereof. Nothing herein shall be interpreted to require that the Developer actually file any such Statement so long as it has not subdivided and sold the entirety of the property, nor to affect the time at which the Developer might take such action if, in fact, the Developer does take such action.

The results of each such election shall promptly be determined on the basis of the majority of those owners then voting such election.

After the first such election shall have been held, thereafter the

Committee shall be obligated to arrange for elections (in the manner and after notice as set forth above) for the removal and/or replacement of Committee members when so requested in writing by thirty (30) or more lot owners in the Subdivision. Members of the Committee may, at any time, be relieved of their position and substitute members therefor designated by vote as set forth above.

Upon the death, resignation, refusal or inability of any member of the Committee to serve, the remaining members of the Committee shall fill the vacancy by appointment, pending an election as hereinabove provided for.

EFFECT OF INACTION

3. Approval or disapproval as to architectural control matters as set forth in the preceding provisions shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plat submitted to it in thirty (30) days following such submission, such plans and specifications and plat shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plat and all of the other terms and provisions hereof.

EFFECT OF APPROVAL

4. The granting of the aforesaid approval shall constitute only an expression of opinion, whether by the Developer or the Committee, that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plat; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof. Exercise of any such prerogative by one (1) or more members of the Committee in their capacity as such shall not constitute action by the Developer after the election of such Committee members, notwithstanding that any such Committee member may be a Director of the Developer.

III.

DESIGNATION OF TYPE OF LOTS

1. All lots 1-6, 23-44, 56-73, 83-91, 120-172 180-190, 219-237, as shown on recorded plat section 9A are hereby designated as "Cottage Lots."

2. All lots 7-22, 45-54, 74-82, 92-119, 173-177, 191-218, 238-255, as shown on recorded plat section 9A are hereby designated as "Greenbelt Lots."

3. All lots SC1-SC74 as shown on recorded plat section 9A are hereby designated as "Studio Cabin Lots."

4. The "General Restrictions" set forth in IV below shall be applicable to all types of lots in the Subdivision hereinabove enumerated and designated. The "Special Restrictions" set forth in V below shall, in addition to the General Restriction, apply to the particular type of lots in the Subdivision so indicated.

IV.

GENERAL RESTRICTIONS

1. None of the lots or the improvements thereon shall be used for anything other than single-family, private residential purposes. After the construction of such residences, it is understood that there may also be constructed a garage, servants' quarters and/or guests' quarters, so long as the same are connected (by covered breezeway or otherwise) with, and used in conjunction with such single-family, private residence. For the purposes of this instrument, the word "lot" shall not be deemed to include any portion of the following areas shown on the recorded plat: the golf course; any esplanades or greenbelts, the club area, any unrestricted or reserve areas shown on the plats.

2. The living area of the main residential structure (exclusive of porches, whether open or screened, garage or other car parking facility, terraces, driveways and servants quarters) shall not be less than the following respective amounts for each of the designated particular type of lots:

Cottage Lots: 1,000 square feet for a one-story dwelling; 1,500 square feet for a two-story dwelling.

Greenbelt Lots: 1,200 square feet for a one-story dwelling; 1,500 square feet for a two-story dwelling.

Studio Cabin Lots: Footage of all dwellings will be determined by the Architectural Control Committee.

3. No building shall be located on any lot nearer than twenty-five (25) feet to the front street line or nearer to the street side line than ten (10) feet. Subject to the provision of Paragraph 4, no building shall be located nearer than seven and one-half (7½) feet to an interior side lot line. For the purpose of this covenant, eaves, steps and unroofed terraces shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of the construction on a lot to encroach upon another lot; except that said eaves, terraces, etc., shall be considered

a part of the building for the purpose of side street set-backs. Variations from these requirements as to building location may be granted by the Architectural Control Authority if the above requirements are not feasible, considering the terrain of the lot.

4. a. Any owner of one or more adjoining lots (or portions thereof) may consolidate such lots or portions into one building site, with the privilege of placing or constructing improvements on such resulting site, in which case side set-back lines shall be measured from the resulting side property lines rather than from the lot lines as indicated on the recorded plat. Any such composite building site (or building site resulting from the remainder of one or more lots having been consolidated into a composite building site) must be of not less than ten thousand (10,000) square feet in area and this shall supersede any contrary provision in the Subdivision plat. Any modification of a building site (changing such building site from either a single lot building site or from a multiple whole lot building site), whether as to size or configuration, may be made only with the prior written approval of the Developer until the Committee is selected and thereafter, only with the prior written approval of the Committee. Upon any such required approval having been obtained, such composite building site shall thereupon be regarded as a "lot" for all purposes hereunder, however, that for purposes of voting for the Committee an owner shall be entitled to one (1) vote for each whole lot within such owner's building site.

b. Cottage Lots may have building nearer than seven and one-half ($7\frac{1}{2}$) feet to an interior side lot line, subject to prior written approval of the Developer until the Committee is selected and thereafter, only with the prior written approval of the Committee (See Special Restriction V.).

5. All lots in the Subdivision shall be used only for single-family residential purposes. No noxious or offensive activity of any sort shall be permitted, nor shall anything be done on any lot which may be or become an annoyance or nuisance to the neighborhood. No lot in the Subdivision shall

be used for any commercial, business or professional purpose nor for church purposes. The renting or leasing of any improvements thereon or portion thereof, without the prior written consent of Developer, is prohibited. No house trailer, camper trailer, camper vehicle or motor vehicle (or portion thereof) shall be lived in or stored on any lot, unless completely enclosed by a garage.

6. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, except, however, that a garage may contain living quarters for bonafide servants and except also that a field office, as hereinafter provided, may be established.

Until the Developer has sold all other lots in Woodcreek (and during the progress of construction of residences in the Subdivision), a temporary field office for sales and related purposes may be located and maintained by the Developer (and/or its sales agents). The location of such field office may be changed, from time to time, as lots are sold. The Developer's right to maintain such field office (or permit such field office to be maintained) shall cease when all lots in Woodcreek, except the lot upon which such field office is located, have been sold.

7. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other common household pets may be kept as household pets provided they are not kept, bred or maintained for commercial purposes and provided they do not constitute a nuisance and do not, in the sole judgment of the Developer constitute a danger or potential or actual disruption of other lot owners, their families or guests. All dogs must be maintained within a fenced yard or on a leash.

8. Where a wall, fence, plater or hedge is not specifically prohibited under the Special Restrictions set forth in V. below, the following (as to any permitted wall, fence, plater or hedge) shall apply: No wall, fence, plater or hedge in excess of two (2) feet high shall be erected or maintained nearer to the front lot line than the front building set-back line, parallel to the side street. No rear fence, wall or hedge and no side fence, wall or hedge located between the side building line and the interior lot line (or located on the interior lot line) shall be more than six (6) feet high.

No object or thing which obstructs sight lines at elevations between

two (2) and six (6) feet above the roadways within the triangular area formed by intersecting street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines (or extensions thereof) shall be placed, planted or permitted to remain on corner lots.

9. The drying of clothes in public view is prohibited and the owners or occupants of any lots at the intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the lot is visible to the public, shall construct and maintain a drying yard or other suitable enclosure to screen drying clothes from public view.

10. All lots shall be kept at all times in a sanitary, healthful and attractive condition, and the owner or occupant of all lots shall keep all weeds and grass thereon cut and shall in no event use any lot for storage of material or equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted, or permit the accumulation of garbage, trash or rubbish of any kind thereon. Any incinerator or other equipment for the storage or disposal of such material shall be kept in a clean, sanitary and sightly condition. During the construction of improvements no trash shall be burned on any lot except in a safe manner and unless so burned, shall be removed by the lot owner. Boats, trailers and other parked vehicles are to be stored in a location no closer to the street than the front building set-back line, or in the case of a corner lot, the side building line facing the street.

In the event of default on the part of the owner or occupant of any lot in serving the above requirements or any of them, such default continuing after ten (10) days written notice thereof, the Developer (until the Committee is selected, and thereafter, the Committee) may, without liability to the owner or occupant in trespass or otherwise, enter upon (or authorize one or more others to enter upon) said lot, and cause to be cut, such weeds and grass, and remove or cause to be removed such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions, so as to place said lot in a neat, attractive, healthful and sanitary condition, and may charge the owner or occupant of such lot for the reasonable cost of such work and associated materials. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof; however, the payment of such charge is not secured by any nature of lien on the property.

11. Before initial residential occupancy, no sign, advertisement, billboard or advertising structure of any kind may be erected or maintained on any lot in the Subdivision without the prior approval of the Developer; and any such approval which is granted by the Developer may be withdrawn at any time by the Developer, in which event, the party granted such permission shall, within the period designated by the Developer (which in no event shall be less than five (5) days), thereupon remove same. After initial residential occupancy of improvements on any particular lot in the Subdivision, no sign, advertisement, billboard or advertising structure of any kind other than a normal for-sale sign approved by the Developer as to design, not exceeding two (2) feet by three (3) feet erected on arpost in the ground, and applicable to such lot alone, may be erected or maintained on such lot.

The Developer, until the Committee is selected, and thereafter, the Committee, shall have the right to remove and dispose of any such prohibited sign, advertisement, billboard, or advertising structure which is placed on any lot, and in so doing shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal or in any way be liable for any accounting or other claim by reason of the disposition thereof.

12. The digging of dirt or the removal of any dirt from any lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on such lot.

13. No lot of Woodcreek shall be used or permitted for hunting or for the discharge of any pistol, rifle, shotgun, or any other firearm, or any bow and arrow or any other device capable of killing or injuring.

14. No outside toilets will be permitted, and no installation of any type of device for disposal of sewage shall be allowed which would result in raw or untreated or unsanitary sewage being carried into any water body. No septic tank or other means of sewage disposal may be installed unless approved by the proper governmental authorities having jurisdiction with respect thereto and the Developer.

15. No oil drilling, oil development operations, oil refining, or mining operations of any kind shall be permitted upon any lot, nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon any lot. No derrick or other structure designed for use in boring for oil, or natural gas, shall be erected maintained or permitted on any building site. At no time shall the drilling, usage or operation of any water well be permitted on any lot.

16. Drainage structures under private driveways shall always have a net drainage opening area of sufficient size to permit the free flow of water without backwater.

17. The Developers or any person, firm or corporation operating the golf course in the Subdivision shall not be held liable for any damages to any lot owner, their guests, or their heirs, administrators or assigns resulting from operation of said golf course.

18. Where underground utility services shall be available for said lots, no other surface utility wires will be installed outside of any structure. Underground utility service lines shall extend through and under said lots in order to serve any structure thereon, and the area above said underground lines and extending two and one-half (2½) feet to each side of said underground line shall be subject to excavation, refilling and ingress and egress for the installation, inspection, repair, replacing and removing of said underground facilities by such utility company; and owners of said lots shall ascertain the location of said lines and keep the area over the route of said lines free of excavation and clear of structures, trees, or other obstructions.

V.

1. In addition to the General Restrictions set forth in IV., above, the following restrictions shall apply to "Golf Course Cottage Lots":

a. No wall, fence, planter, hedge or other improvement or object shall be constructed or permitted nearer than twenty-five (25) to an exterior lot line bordering the golf course.

b. The Developer shall have control over all improvements to be placed in the common areas and certain facilities common to all or part of the lots including, by way of example but not limited to, golf-cart pathways, greenbelts, sewage system, and recreational facilities.

c. Since zero lot line and/or common wall concepts are anticipated by the Developer, until the Committee is selected and thereafter the Committee, shall be the sole and prevailing authority regarding wall, fence and building set-back requirements. Such authority shall at all times be consistent and in the best interest for all parties concerned in the Golf Course Cottage area.

2. In addition to the General Restrictions set forth in IV., above, the following restrictions shall apply to "Greenbelt Lots".

- a. The Developer shall have control over all improvements to be placed in the common areas and certain facilities common to all or part of the lots including, by way of example but not limited to, golf-cart pathways, sewage systems, greenbelts, and recreational facilities.
- b. Since zero lot line and/or common wall concepts are anticipated, the Developer, until the Committee is selected, and thereafter the Committee, shall be the sole and prevailing authority regarding wall, fence and building set-back requirements. Such authority shall at all times be consistent and in the best interest for all parties concerned in the Greenbelt lot area.

VII.

MAINTENANCE FUND

All lots in said Woodcreek, Section Nine A, are subject to a monthly maintenance charge of six dollars (\$6.00) per lot for the purpose of creating a fund to be known as "Maintenance Fund" to be paid by the Owner of each lot in said addition payable monthly at the rate of \$3.00 per month on the first day of the month following the date of the purchase of respective lots plus an additional \$3.00 per month following the date that water has been furnished to the lot in question, said payment to be made to Woodcreek, Ltd., or its successors or assigns, as the needs of the property may in its judgment require but in no event shall such charge be more than six dollars (\$6.00) per month per lot unless such adjusted increase has been approved by fifty-one percent (51%) of the lot owners in Woodcreek.

The total fund arising from said charge, so far as it may be sufficient, shall be used for the payment of the maintenance expenses incurred for any or all of the following purposes:

Maintenance of streets, paths, parks, parkways and esplanades, including all of the grass and planted area within boundaries of the streets, curbs, and parks, furnishing of watchman or patrol service, to pay rents, maintenance and utilities for park or club areas,

and to do any other thing necessary or desirable in the opinion of Woodcreek, Ltd., to keep the property neat or in good order, or which, in the opinion of Woodcreek, Ltd., may be of general benefit to the owners or occupants of the subdivision.

Such maintenance charge shall be and remain in effect so long as the restrictions hereinabove set out shall remain in effect and the continuation or extension of such restrictions in the manner provided therefor shall automatically extend this maintenance charge.

Any grantee, by accepting a conveyance of any property in said subdivision agrees and consents to such maintenance charge and to secure the payment of said charge a vendor's lien is retained against the property so conveyed.

VIII.

TRANSFER OF FUNCTIONS OF THE DEVELOPER

The Developer may at any time hereafter cause one or more non-profit corporations to be organized under the laws of the State of Texas for the purpose of exercising all or any of the duties and prerogatives of the Developer hereunder (including the matters relating to "Maintenance Fund"). Any such delegation of authority and duties shall serve to automatically release the Developer from further liability with respect thereto and vest such duties and prerogatives in such non-profit corporations. Any such delegation shall be evidenced by the Developer and the aforesaid non-profit corporations but not, however, requiring the joinder of any other person in order to be fully binding, whether such other person be an owner of property in the Subdivision, a lienholder, mortgagee Deed of Trust beneficiary or any other person.

IX.

AMENDMENTS

Any or all of the covenants herein may be annulled, amended or modified at any time by the recommendation of the Architectural Control Authority, or its successors, and ratified by a vote of two-thirds (2/3) of the lot owners in the Subdivision. All such lot owners shall be given thirty (30) days notice in writing of any proposed amendment before same is adopted. There shall be no annulment, amendment or modification of these covenants without the prior recommendation of the Architectural Control Authority.
