

Request for Proposals for pothole repair for Woodcreek North in Wimberley Texas.

WPOA is soliciting proposals for pothole repair.

Respondents shall obtain an RFP package by calling 512-847-9889 and arranging a time to pick up an RFP package. WPOA office is located at 106 Pleasant Valley Rd, Wimberley, TX, 78676. Hours vary so contacting the office to arrange a pickup time is essential.

Packages contain a map of WCN with streets marked in red. Note that all streets in WCN do not belong to WCN. Only those marked in red are part of this proposal.

Vendor shall use the street map as a guide to locate potholes, on streets identified by red highlight, in need of repair. Potholes on streets have been circled with paint on the pavement.

Vendors shall tour the streets highlighted and visually identify the circled potholes in order to prepare their proposals. Note that some streets have not been developed and will therefore not be part of the RFP response.

Responses are due in the WPOA office by Friday, October 1st at 12 noon. Late submissions may be rejected.

Vendor shall use the proposal sheet contained in the RFP package.

Proposal sheet

WPOA prefers the chip seal spray method of repair but will consider other methods. Vendor shall describe method of repair.

WPOA consists of two areas. Eagle Rock is the area located in the lower right of the map. Woodcreek North is the section located in the upper left quadrant of the map. Vendor shall provide a separate price for each.

If vendor desires to propose more than one method of repair, a separate sheet may be attached showing prices for Eagle Rock and Woodcreek North in the manner shown below.

I. Pricing

A. Price for Eagle Rock: \$\_\_\_\_\_

B. Price for Woodcreek North \$\_\_\_\_\_

Total \$\_\_\_\_\_

Prices shall be total and inclusive of all charges.

II. Vendor to describe Repair method (IE chip seal spray etc):

III. Vendor to provide insurance information (Liability, damage, Workman's comp etc.).

IV. Start and completion date: \_\_\_\_\_. WPOA prefers within 2 weeks of award.

V. Award will be evaluated and made based on a combination of price, construction method and delivery.

VI. Retainage 10% pending confirmation of project completion by WPOA.

Vendor shall sign RFP below confirming the Terms outlined in this RFP. Signee shall be authorized by vendor to sign agreement.
